Is a real cute and sweet boy who I have always enjoyed having as a friend. I hope we will remain the best of friends forever. Thanks for all the things you've done for me (I think you know what I'm talking about). I want to wish you the best of luck and all the happiness in the world throughout your future life.

Love always,

DEDICATION

The Student Body of Logansport High School takes the privilege of paying recognition to one who has served the youth of Louisiana for thirty-three years. For his contribution to Logansport High School we especially give him thanks, but we know that all the youth of Louisiana that have received instructions from this teacher join us in this special tribute. Those who have been close to him over the years will always remember him as a hard working, dedicated school man with the interest of all youth in his heart.

PRINCIPAL'S MESSAGE

While faith makes all things possible,

it is love that makes all things easy.

"Patience is love on the anvil,
bearing blows of suffering.
Zeal is love in the harvest field,
never tiring of toil.
Meekness is love in company,
vaunting not itself.
Perserverance is love,
pressing on to the end.

SPECIAL DEDICATION

The Fidelis Staff takes this opportunity to pay special tribute to KENNETH WAYNE HARVEY, who was injured during a regular season football game. Kenneth has been a favorite of students and teachers as evidenced by the many honors that have been bestowed upon him.

He has been chosen a class favorite all four years of high school; he has served as president of the FFA Chapter for two years; he has served as class president and Student Council secretary; he represented the school at Pelican Boys' State; he received All District honors in both football and basketball; and he was chosen Mr. LHS this year.

While his presence has been missed at Logansport High School, he has always been near in our thoughts and prayers. As we view life, we realize that it is a long, rough highway; and that we must meet each obstacle with faith in God and know that behind each dark cloud there is a blue sky shining.
